

Welcome/Main komponenta:

Sadrži Carousel koji je slideshow komponenta za prikazivanje drugih elemenata korisničkih interfejsa. Produkti koji se prikazuju na main strani nisu svi već samo odabrani, određene možemo birati mi a drugi su best selleri. Takođe postoji i „Based on your favorites“ koji izlistava produkte iz kategorije koju je korisnik označio kao „Favorite category“ prilikom registracije.

Kategorija/Katalog component:

The screenshot displays the SHOPAC e-commerce interface. The top navigation bar is blue with the SHOPAC logo, a user profile icon for 'Aleksa', and a shopping cart icon with a red notification badge showing '6' items. Below the navigation bar, the main content area is divided into a left sidebar and a main product grid.

Left Sidebar:

- All items**
- Categories:** A list of category buttons with checkmarks: Jakne, Pantalone, Prsluci, Duksevi i majice, Kabanice i kišna odela, Radna odela, and Kombinezoni.
- Sizes:** A list of size buttons with checkmarks: XL and L.
- Manufacturer:** A list of manufacturer buttons with checkmarks: M, S, Wurth, Rossini, Black Peak, Kapriol, Kisha, Rainy, and NEO.
- Price:** A price range slider with a blue bar and numerical values 1390 and 7990.

Main Product Grid:

The grid shows two product cards. Each card includes a product image, the product name, and a 'Toggle Filter' button.

- Product 1:** 'Wurth Aerton jakna'. It features a black jacket with a red stripe. Below the image, the manufacturer 'Wurth' is listed, along with the date of manufacture 'Dec 12, 2019'. Available sizes are XL, L, M, and S, all with checkmarks. The total sold is 200, and the rating is 4.5 stars from 4 votes. The price is RSD5999, and there is an 'Add to cart' button.
- Product 2:** 'Rossini Superstar Parka 4u1 teget jakna'. It features a dark blue jacket. Below the image, the manufacturer 'Rossini' is listed, along with the date of manufacture 'Nov 10, 2018'. Available sizes are XL, L, M, and S, all with checkmarks. The total sold is 12, and the rating is 4.3 stars from 4 votes. The price is RSD7990, and there is an 'Add to cart' button.

At the bottom of the grid, there are partial views of other products, including a red car and a blue item with a '-20%' discount tag.

Ova komponenta sadrži sve proizvode koji su obuhvaćeni u skupu proizvoda (po defaultu to su svi proizvodi). Omogućava filtriranje po kategoriji, proizvođaču, a dole vidimo i filter cena koji je podešen na osnovu vrednosti najskupljeg i najjeftinijeg proizvoda.

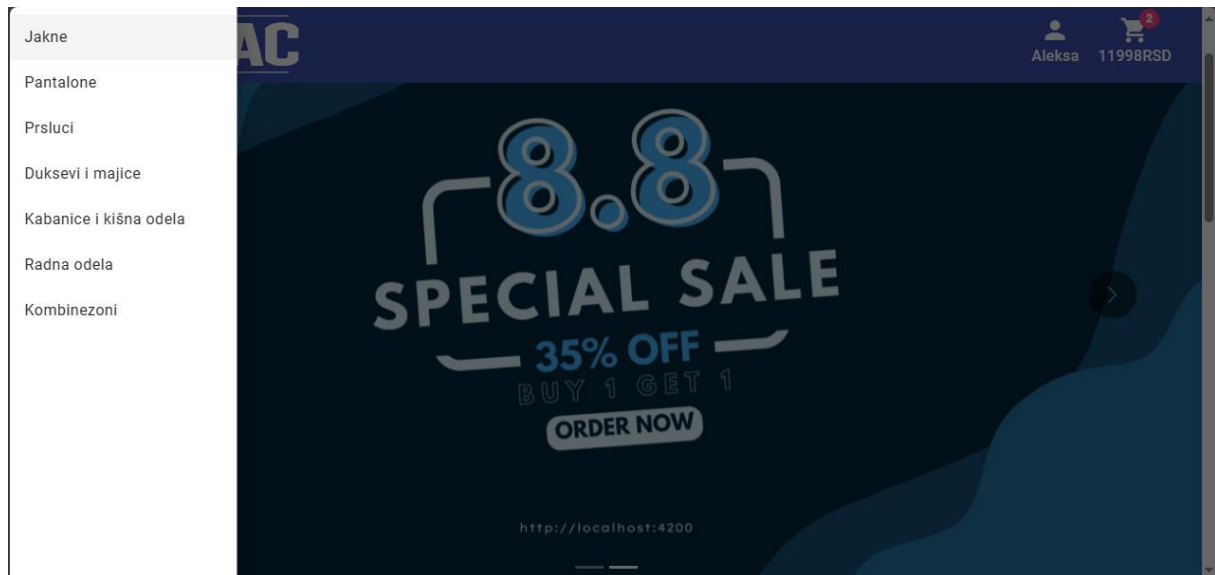

Dodavanje u korpu: Što se tiče dodavanja u korpu prvo je potrebno da korisnik izabere veličinu proizvoda pa ga tek može dodati u korpu (ukoliko je predhodno ulogovan).

Navigation bar:

Navigation bar je podešen da bude sticky što znači da će on uvek biti pri vrhu ekrana ne zavisno od toga na kojoj se vertikalnoj poziciji sajta korisnik trenutno nalazi.

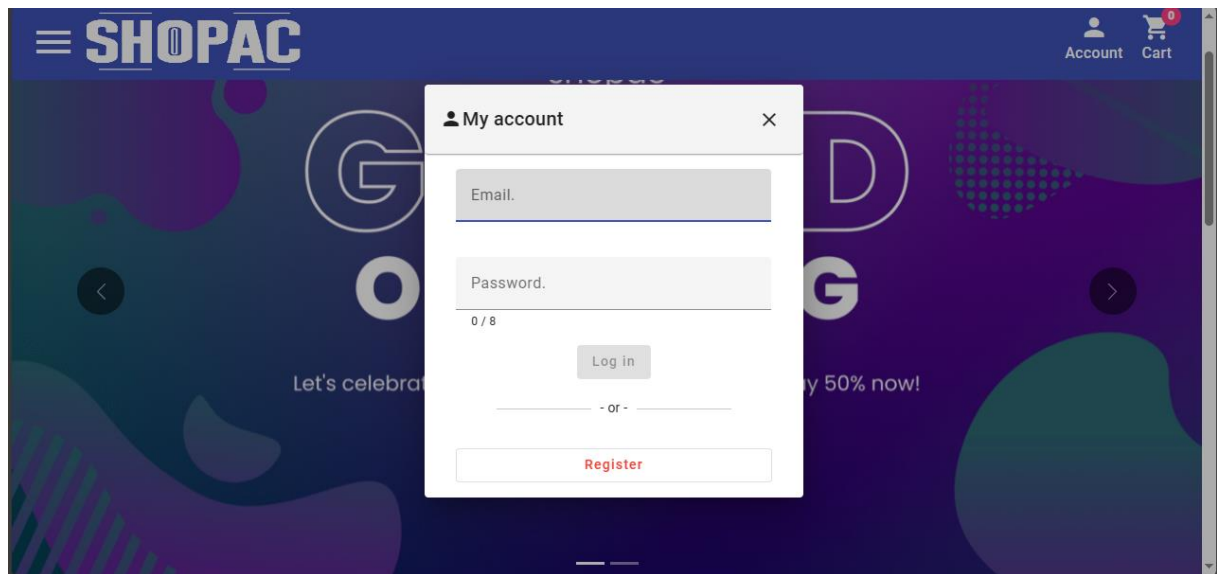

Sam hamburger menu se pojavljuje i na velikim i na malim ekranima a njegova svrha je da navodi korisnika do tačno određene kategorije (slika ispod)

Ikonica korpe učitava ukupnu vrednost izabranih stavki a u badge se učitava broj stavki u korpi).

Ikonica akaunta – Kada je user logovan piše njegovo ime ispod nje dok kada nije piše Account. Kada je user logovan, ta ikonica ga navodi na moguće opcije (sign out, edit profile, order history). Kada nije, ikonica otvara dialog za login.

Login component:

Sama komponenta iskače u vidu dijaloga i moguće je koristiti iz bilo kog dela aplikacije.

Ukoliko korisnik nema nalog, ova komponenta ga može navesti na formu registracije.

Registration component:

The registration form for SHOPAC includes the following fields and options:

- Name:** Text input field.
- Surname:** Text input field.
- Email:** Text input field.
- Password:** Text input field.
- Date of birth:** Date picker with a calendar icon and a dropdown menu.
- Gender:** Radio buttons for Male and Female.
- Address:** Text input field.
- Phone:** Text input field with a placeholder starting with +381.
- Choose your favorite category:** Dropdown menu with the option "Radna odela".
- Terms and conditions:** Checkbox with the text "I have read the terms and conditions and accept them".
- Register:** Button to submit the registration form.

Payment logos at the bottom include MasterCard SecureCode, VISA, and others.

Forma za registraciju sadrži sva potrebna polja definisana po projektnom zadatku.

Cart/korpa component:

Komponenta sadrži funkcionalnosti potrebne za realizaciju finalne narudžbine.

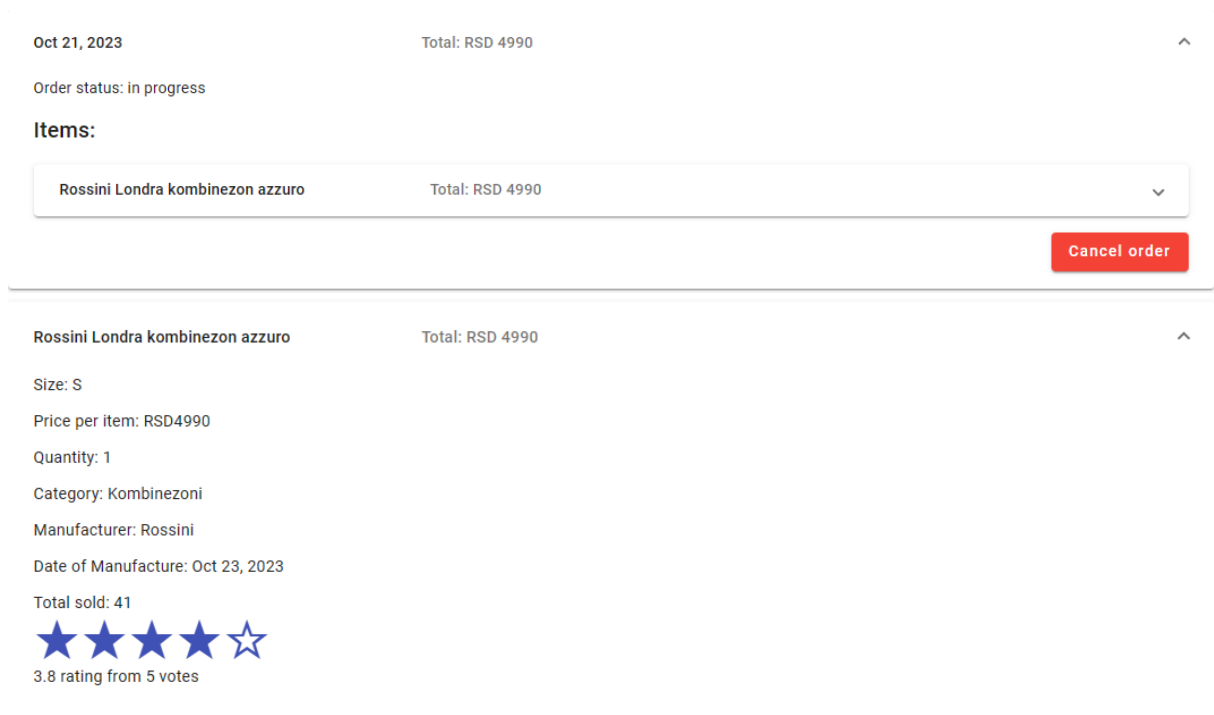

Na ovom delu, korisniku je omogućeno da dodaje i smanjuje (količinu) proizvoda, kao i brisanje istih iz korpe. Kada završi narudžbinu, sama korpa se briše a podaci prelaze u servis za narudžbine.

Istorija nadržbina/Order history component:

Kupovine su sortirane po datumu kupovine, a svaka kupovina je smeštena u odvojen Expansion panel.

In progress:

Ovde možemo da pregledamo sve o datoj porudžbini, sama cena po proizvodu je sačuvana odvojeno jer želimo da prikazemo korisniku cenu koja je bila na datum kupovine a ne onu koja je danas.

Ukoliko je produdžbina u statusu arrived, korisnik može svaki proizvod ponaosob da oceni.

Sama ocena je u rangu od 1-5 i ukoliko korisnik oceni jednom proizvod to ne znači da istu recenziju ne može da izmeni.
